

## About the Author **JONATHAN WOMACK**

*JONATHAN WOMACK'S life story is a fascinating one and his lectures make for an experience listeners won't soon forget. The fact that 9/11 is his birthday adds further intrigue to this natural born storyteller, the author of...*

### "A Cry For A Hero"

He talks of growing up in 1960's Indiana, when at the age of eight, he was *scared to death* and had to 'play dead' to survive a terrifying encounter.

This 'play dead' trance triggered his first out-of-body experience, when he discovered he could exist free and apart from his physical body via a second 'soul body.'

These episodes continued for several years as did his isolation, for the subject held many stigmas. In 1999, Womack borrowed from his incredible experiences and wove them into the fabric of what is now his suspense novel, **A CRY FOR A HERO**.

Womack strives to raise awareness about this unconventional 'out-of-body' subject and has received hundreds of emails from those he has inspired. He lives outside of Boston and is currently at work on his second novel, *THE DOGMAN COMETH*.
