

*America's Cradle of Freedom is under attack.  
In our country's darkest hour comes a hero like  
no other. Alive and dead.*

Fiction's first out-of-body superhero vs.  
terrorists thriller, written before 9/11!

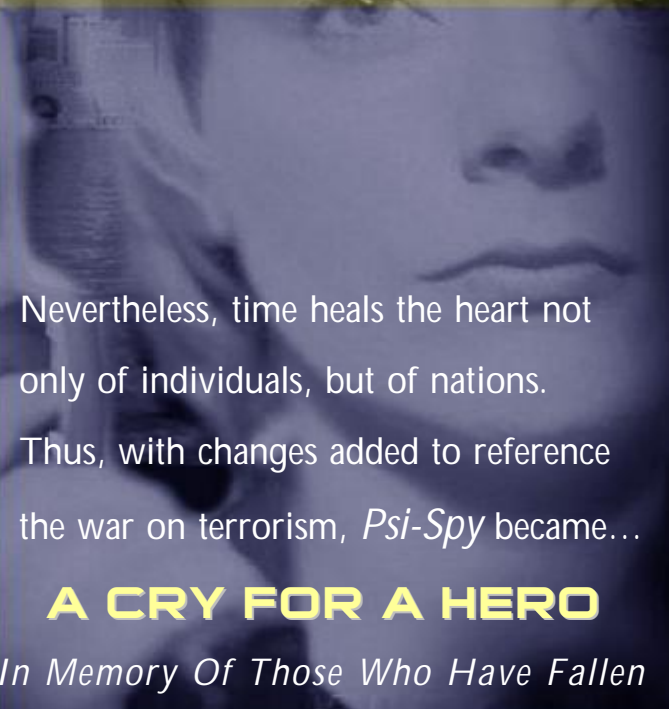

A NOVEL

# A CRY FOR A HERO

A prophetic, terrorist tale,  
originally titled *Psi-Spy*, the  
majority of which was written  
prior to 9/11.

In the days following those  
events, Womack shelved his  
book indefinitely, as its "*what  
if*" premise took on a frightening  
reality.

Nevertheless, time heals the heart not  
only of individuals, but of nations.  
Thus, with changes added to reference  
the war on terrorism, *Psi-Spy* became...
